To: California Lions Foundation, President Greeting PDG

Greetings President PDG Alberto Montes de Oca,

I write to report that District 4-L3 has completed the purchase of three (3) Welch Allyn Spot Vision Screeners. We wish to thank the California Lions Foundation for assisting us in our fund-raising efforts by allowing the District to utilize your Designated Grant Program.

I have enclosed the following requested documents:

- Copy of purchase receipt for the Kidsight units
- A picture of the three units

We look forward to working with the California Lions Foundation again in the future.

Many Thanks

Ken Blackwood
